Trade and Economic Transition National Dislocated Worker Grants (DWG), with funding of up to \$100 million for each award, \$8 million for each individual award. This grant will enable successful applicants to address ongoing or emerging workforce and economic challenges by providing training and career services to dislocated workers seeking reentry into the workforce, and increasing their skill levels to become competitive for growing or high-demand employment opportunities.

Planned Participants Served

1,200

Total Award Amount

\$8,000,000

Economic Transition Factors

Ohio is experiencing the far-reaching economic and workforce transition of disruption in skill. This is due to loss of life, reduced worker productivity, and substantial reductions in the labor force.

Project Service Area

Period of Award: September 2018-September 2020

Proposal Summary

Ohio's proposal addresses the large-scale and largely unaddressed 21st Century economic and workforce challenge of the opioid epidemic national emergency which is causing a serious disruption in skill and labor availability for thousands of employers across all industries and sectors, particularly in the 16 participating counties.

Sectors of Focus

- Advanced Manufacturing
- Transportation
- Logistics/Warehousing
- Healthcare
- Maintenance and Repair
- IT

Proposed Outcome

The broader benefits to the geographic areas covered by the DWG include: 1) testing a new comprehensive service reemployment model; 2) improving labor force participation; 3) creating informed, trained employers; 4) reducing costs to employers; increase hiring.
